

Dedalo Minosse

PREMIO INTERNAZIONALE ALLA COMMITTENZA DI ARCHITETTURA / INTERNATIONAL PRIZE FOR COMMISSIONING A BUILDING

UNDICESIMA EDIZIONE 2018 / 2019 ELEVENTH EDITION RULES

INTRODUCTION

The Dedalo Minosse International Prize for commissioning a building has been taking place in Vicenza (Italy), the city of Andrea Palladio, since 1997. The Prize is promoted by ALA-Assoarchitetti, the Italian association for professional architects, to spread good quality architecture.

The Prize comes from the idea that the framework for creating good architectural works is determined not only by the quality of the Architect's project (architects, building engineers, freelance professionals, referred to as "Architect" herein), but also by the positive and stimulating role played by the Client.

Registration is free of charge.

Starting from the ninth edition, the Dedalo Minosse Prize has also included the Andrea Palladio International Prize, which was promoted by Caoduro Lucernari between 1987 and 1993.
